**WHEREAS**, Toyota Motor Manufacturing North America ("Toyota") selected the City of San Antonio as the site for its newest automotive manufacturing plant, has begun construction on the facility in south Bexar County, intends to invest approximately \$800 million in the property, and will create 2,000 jobs for the City and surrounding area; and

**WHEREAS**, in addition to the manufacturing plant, a tier-one Supplier Park consisting of Toyota suppliers located on the Toyota property to support manufacturing and assure quality, while reducing costs associated with logistic services was proposed; and

**WHEREAS**, it is estimated that the addition of a Supplier Park would attract approximately \$306,000,000.00 in additional total capital investment in the property and create an additional 2,079 jobs in the City and surrounding area; and

**WHEREAS**, although the Toyota property has not been fully annexed by the City, state law allows municipalities to enter into tax abatement agreements for areas within its extraterritorial jurisdiction, provided that the property is designated as a Reinvestment Zone; and

**WHEREAS**, the Toyota property is within the City's Federal Empowerment Zone, thereby, automatically qualifying it as a Reinvestment Zone; and

**WHEREAS**, the City intends to propose full purpose annexation of the Toyota property effective January of 2006; and

**WHEREAS**, the tier-one Supplier Park project would qualify under the Tax Phase-In Guidelines (the "Guidelines") as a Level 3 "exceptional investment" project, since the project collectively exceeds \$50,000,000.00 in total property investment and will create at least 500 permanent, full-time jobs; and

**WHEREAS**, the property is located south of Highway 90, thereby, qualifying it for a ten (10) year abatement under the Guidelines; and

**WHEREAS**, fifteen tier-one suppliers have indicated that they would locate at the Toyota Supplier Park; and

**WHEREAS**, of these fifteen (15) tier-one suppliers, three (3) suppliers intend to pay employees not less than \$11.03 and it is recommended that they receive a one-hundred percent (100%), ten (10) year abatement of ad valorem taxes on real and personal property improvements, inventory and supplies; and

**WHEREAS**, the remaining twelve (12) tier-one suppliers intend to pay employees not less than \$9.06 and it is recommended that they receive an eighty-percent (80%), ten (10) year abatement of ad valorem taxes on real and personal property improvements, inventory and supplies; and

**WHEREAS**, the City Council finds that the proposed project supports the City's Strategic Plan for Enhanced Economic Development by encouraging the attraction of new business to the targeted southern sector and promotes the growth of a targeted industry; and

**WHEREAS**, the City Council also finds that authorizing and approving the proposed tax phase-in agreements is a reasonable incentive to induce tier-one Toyota suppliers to locate in the area; and

**WHEREAS**, the City Council also finds that it is in the best interest of the City to approve these tax phase-in agreements to induce the desired and beneficial economic development in the area; **NOW THEREFORE:**

**BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF SAN ANTONIO:**

**SECTION 1.** The City Council hereby approves the terms and conditions of fifteen (15) tax phase-in agreements with fifteen (15) companies locating to the Toyota Supplier Park, which agreements shall grant either: (1) a one-hundred percent (100%), ten- year abatement of ad valorem taxes on real and personal property improvements, inventory and supplies by companies paying one-hundred percent (100%) of its employees not less than \$11.03; or (2) an eighty-percent (80%), ten-year abatement of ad valorem taxes on real and personal property improvements, inventory and supplies by companies paying one-hundred percent (100%) of its employees not less than \$9.06.
